

Hi Mommy!

I'll be here soon

**"I like your doctor
but do you
have one for me?"**

Did You Know...

Newborn Screening results are shared with your baby's doctor

If your baby needs more testing, your baby's doctor will need to contact you right away

Well-baby checkups keep your baby healthy

Now What?

Find your baby a healthcare provider before he or she is born

Make sure your birth facility knows who your baby's healthcare provider is

Give your emergency contact information to the hospital and baby's doctor
