

Stem Cell Research Act

71-8801. Act, how cited.

Sections 71-8801 to 71-8806 shall be known and may be cited as the Stem Cell Research Act.

Source: Laws 2008, LB606, § 1. **Effective Date: March 26, 2008**

71-8802. Terms, defined.

For purposes of the Stem Cell Research Act:

(1) Committee means the Stem Cell Research Advisory Committee;

(2) Human embryo means the developing human organism from the time of fertilization until the end of the eighth week of gestation and includes an embryo or developing human organism created by somatic cell nuclear transfer; and

(3) Somatic cell nuclear transfer means a technique in which the nucleus of an oocyte is replaced with the nucleus of a somatic cell.

71-8803. Stem Cell Research Advisory Committee; created; qualifications; terms; meetings; stipend; expenses.

(1) The Stem Cell Research Advisory Committee is created. The committee shall consist of the dean of every medical school in Nebraska that is accredited by the Liaison Committee on Medical Education or his or her designee and additional members appointed as follows: (a) The dean of every medical school in Nebraska shall nominate three scientists from outside Nebraska conducting human stem cell research with funding from the National Institutes of Health of the United States Department of Health and Human Services; and (b) the chief medical officer as designated in section 81-3115 shall select two of such scientists from each set of nominations to serve on the committee. Appointments by the chief medical officer pursuant to this subsection shall be approved by the Legislature. Members appointed by the chief medical officer shall serve for staggered terms of three years each and until their successors are appointed and qualified. Such members may be reappointed for additional three-year terms.

(2) The committee shall meet not less than twice each year.

(3) Members of the committee not employed by medical schools in Nebraska shall receive a stipend per meeting to be determined by the Division of Public Health of the Department of Health and Human Services based on standard consultation fees, and all members of the committee shall be reimbursed for their actual and necessary expenses incurred in service on the committee pursuant to sections 81-1174 to 81-1177.

71-8804. Committee; establish grant process; reports.

(1) The committee shall establish a grant process to award grants to Nebraska institutions or researchers for the purpose of conducting nonembryonic stem cell research. The grant process shall include, but not be limited to, an application identifying the institution or researcher applying for the grant, the amount of funds to be received by the applicant from sources other than state funds, the sources of such funds, and a description of the goal of the research for which the funds will be used and research methods to be used by the applicant.

(2) The committee shall submit electronically an annual report to the Legislature stating the number of grants awarded, the amount of the grants, and the researchers or institutions to which the grants were awarded.

71-8805. Stem Cell Research Cash Fund; created; use; investment.

(1) The Stem Cell Research Cash Fund is created. Any money in the fund available for investment shall be invested by the state investment officer pursuant to the Nebraska Capital Expansion Act and the Nebraska State Funds Investment Act.

(2) Money credited to the Stem Cell Research Cash Fund pursuant to section 71-7611 shall be used to provide a dollar-for-dollar match, up to five hundred thousand dollars per fiscal year, of funds received by institutions or researchers from sources other than funds provided by the State of Nebraska for nonembryonic stem cell research. Such matching funds shall be awarded through the grant process established pursuant to section 71-8804. No single institution or researcher shall receive more than seventy percent of the funds available for distribution under this section on an annual basis.

(3) Up to three percent of the funds credited to the Stem Cell Research Cash Fund shall be available to the Division of Public Health of the Department of Health and Human Services for administrative costs, including stipends and reimbursements pursuant to section 71-8803.

71-8806. Limitation on use of facilities and funds.

No state facilities, no state funds, fees, or charges, and no investment income on state funds shall be used to destroy human embryos for the purpose of research. In no case shall state facilities, state funds, fees, or charges, or investment income on state funds be used to create a human embryo by somatic cell nuclear transfer for any purpose.
