

Nebraska Olmstead Plan Advisory Committee Meeting

The background of the slide is a photograph of the Nebraska State Capitol building in Lincoln, Nebraska. The building is a grand, classical-style structure with a prominent central tower topped by a dome. The facade is made of light-colored stone or concrete. In front of the building is a wide set of steps leading up to the entrance. Two flagpoles are visible, one on the left with the American flag and one on the right with the Nebraska state flag. The sky is a clear, bright blue with a few wispy clouds. The overall scene is well-lit, suggesting a sunny day.
