*These minutes have not been reviewed or approved by the Board.*

Karen Wenner, APRN, DNP  
255 W 4<sup>th</sup> ST  
Kimball, NE 69145

Dr. Negri provided the Board with background regarding the need for Nurse Practitioners (NPs) to perform fluoroscopy. Dr. Wenner gave a slide presentation outlining the concerns and challenges of inability of NPs to perform fluoroscopy. The Board provided background as to why NPs were excluded from the statute exempting other health practitioners from the practice of medical radiography. The slides provided additional information to the Board. NPs indicated that they are approaching the 407 Credentialing Review process carefully, so everyone involved is well informed. Dr. Negri and Dr. Wenner thanked the Board for their guidance.

### **RATIFY E-MAIL BALLOTS SINCE LAST MEETING**

No e-mail ballots to ratify at this time.

### **PRACTICE QUESTION REGARDING DEXA BODY COMPOSITION – THINK AKSARBEN**

The Board discussed that the printing of DEXA Body composition reports is facility driven. The report should be generated by the practitioner that ordered the DEXA scan. The Board mentioned that having the radiographer print the report and giving it to patient can put the radiographer into a position of being asked questions that they are unable to answer.
