Purpose

The purpose of the 2019 Natural Disaster Recovery Grant is intended to help child care providers to fund items to assist in the recovery of the flooding that occurred in 2019. These funds may only be used by licensed child care providers or child care providers who have a Child Care Subsidy agreement with the Department of Health and Human Services.

Funding Opportunities

The 2019 Natural Disaster Recovery Grant will be awarded based on child care providers that were affected by the flooding that occurred in 2019. Grant funds will be for eligible items that will assist the child care provider in replacing items that were damaged or destroyed by the flooding in 2019.

Funding Source

The 2019 Natural Disaster Recovery Grants are funded from the Child Care and Development Block Grant (CCDBG). These funds are specifically designated to improve the quality of child care, provide quality programs for low-income children, and to increase the availability of early childhood development programs and before and after school programs.

Allocation of Funds

Awards are a maximum of \$500.00 for licensed-exempt providers, up to \$5000.00 for Family Child Care Home I/II and up to \$10,000.00 for Child Care Centers.
