

**Nebraska Chronic Renal Disease Program
Pharmacy Update – June 2017**

The Nebraska Chronic Renal Disease Program (CRDP) is a client assistance program that provides payment for pharmaceutical and dialysis services to eligible Nebraska residents diagnosed with End-Stage Renal Disease (ESRD). It does not cover the costs related to any other illness.

Service Provider Enrollment Form

To be in compliance with current Nebraska Department of Health & Human Services (DHHS) practices, your Nebraska Chronic Renal Disease Program Service Provider Agreement – now called Service Provider Enrollment – is in need of updating.

Instructions on how to submit the Service Provider Enrollment Form are included with this fax. The Form is accessible from the Program's webpage: dhhs.ne.gov/renal.

Please submit your updated Service Provider Enrollment form by September 15, 2017.

While this update is necessitated by DHHS, please remember to update your Enrollment if the following occurs:

- Your facility/pharmacy changes ownership – resulting in a different Enrollment Form signer.
- Your facility/pharmacy changes any of the information on the Enrollment Form.

If you have any questions, please contact the Renal Program at (402) 471-0925 or DHHS.renal@nebraska.gov.
